SUPPLEMENTAL DECLARATION BY AGENT OF RECORD IN
SUPPORT OF THE PETITION UNDER 37 CFR §1.47(a)

I, M. Angela Parsons, declare as follows:

1. I have been a Registered Patent Agent for almost 7 years. I have been a Technology Specialist with Fish & Richardson, P.C., P.A. for 5½ years. My business address is 3300 Dain Rauscher Plaza, 60 South Sixth Street, Minneapolis, MN 55402. I am the Agent of record in the above-referenced application.

2. The above-referenced National Phase application names Samuel J. Shuster, Laura S. Stone, Hong-Yan Zhang, Lucy Vulchanova Hart, and Ulf N.G. Arvidsson as inventors.

3. All of the named inventors executed Assignments to Neuromics Inc., the original Assignee of the above-referenced application. Copies of these Assignments are provided in Appendix A.

4. Neuromics Inc. then assigned the above-referenced application to Algos Therapeutics, Inc., the current assignee. Copies of these Assignments are provided in Appendix B.

5. None of the named inventors are employees of the original Assignee, Neuromics Inc. Neuromics Inc. no longer exists.

6. On August 26, 2004, I sent a Declaration and a postage-paid return envelope to each inventor by Federal Express ("FedEx") to their last known address. Copies of the letters are provided in Appendix C.

7. With the exception of Ulf N.G. Arvidsson, each of the named inventors executed a Declaration as required under 37 CFR §1.497(a) and (b) and returned the signed original to me.

8. Ulf N.G. Arvidsson's last known address is Gardstigen 4, Lidingo, Sweden. It was to this address that the Declaration was sent.

9. After several weeks had passed and I had not received the signed Declaration from Ulf N.G. Arvidsson, I looked at the electronic signature of the receiving party that is provided on the FedEx website. The signature did not appear to be that of Ulf N.G. Arvidsson. Unfortunately, this page was not printed and it is not available at this time. Currently, when the tracking number of the package that was sent to Ulf N.G. Arvidsson is entered into the FedEx website, the name of the receiving party is a computer-entered name and is no longer the electronic signature. The computer-entered name is Ulf N.G. Arvidsson. See Appendix D.

10. Despite the return FedEx envelope and label that was provided with the Declaration, the signed document was not returned.

11. I began diligently trying to locate Ulf N.G. Arvidsson. I also have firsthand knowledge that my assistant, Ms. Jill Huso, diligently attempted to locate Ulf N.G. Arvidsson. I have firsthand knowledge that we both attempted to find any current contact information for Ulf N.G. Arvidsson using a number of different Search Engines and Web pages on the Internet including a Google® and a Yahoo® search of 'Ulf N.G. Arvidsson'. Copies of the original search were not printed. The search was repeated recently (also without success) and copies of the first 30 hits from each of those searches are provided in Appendix E.

12. The search identified documents containing 'Ulf N.G. Arvidsson' or variations thereof. Among the documents identified in our internet search was a PCT published application in which Ulf N.G. Arvidsson is a named inventor. None of the documents identified in our search provided any updated contact informant for Ulf N.G. Arvidsson. We did not find anything that indicates where Ulf N.G. Arvidsson currently might be residing and/or employed.

13. At my request, Mr. Jeffrey Bois, Library Operations Supervisor with the Fish & Richardson Library Department, performed a search for Ulf N.G. Arvidsson. One of Mr. Bois' searches was of the Choicepoint Public Records database. The results of those searches are attached in Appendix F. The sources used in the database are shown on pages 5 and 6 of Appendix F.

14. Results from Mr. Bois' search of the Choicepoint Public Records database indicated a St. Paul, Minnesota address for Ulf N.G. Arvidsson that was last updated in 1999.

15. Another search using the Google® search engine by Mr. Bois indicated that an Ulf Arvidsson was employed by KTH and/or the Karolinska Institute. See copies provided in Appendix G and H.

15. I personally called the number shown for Ulf Arvidsson at KTH (see Appendix G). I personally talked to an Ulf Arvidsson, who informed me that he had never lived in the United States and had never worked for Neuromics, Inc. at any time.

16. I personally called the number shown for Ulf Arvidsson at Karilinka Institute (see Appendix H). I talked to an unidentified, non-English speaking woman who, when I asked for Ulf Arvidsson, gave me a different number to call within the Karolinska Institute. I called the telephone number she provided a number of times. Each time I called, I talked to a receptionist, who paged Ulf Arvidsson. Ulf Arvidsson never answered any of the pages. Copies of these telephone records are attached in Appendix I. As these calls to Sweden were made from my home telephone, I have redacted the personal information on the telephone bill that is not relevant to my attempts to find Ulf N.G. Arvidsson and my Declaration as such.

17. In addition to the telephone calls, I sent two e-mail messages to Ulf N.G. Arvidsson's last known e-mail addresses on March 3, 2005 and March 28, 2005. The e-mail addresses were based on the search results shown in Appendix H and based on an e-mail address provided to me by the above-referenced receptionist. Copies of those e-mails are attached in Appendix J. Although I requested a reply whether or not the recipient was the individual I was looking for, I did not receive a response to either e-mail. At the time of filing this Declaration, I still have not received a response to either e-mail.

18. I have firsthand knowledge that all of my attempts to reach Ulf N.G. Arvidsson who is a named inventor on the above-referenced application were unsuccessful. I have firsthand knowledge that the attempts by others, including Ms. Jill Huso and Mr. Jeffrey Bois, to find Ulf N.G. Arvidsson were unsuccessful.

19. As noted above, the undersigned has talked to one Ulf Arvidsson. The Ulf N.G. Arvidsson I talked to was not the Ulf N.G. Arvidsson who is a named inventor on the above-

referenced application. The undersigned believes that all reasonable efforts to locate any other Ulf N.G. Arvidsson have been exhausted.

20. That all statements made of my own knowledge are true, and that all statements made upon information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patents issued thereon.

ASSIGNMENT

For valuable consideration, I, Samuel J. Shuster, of 6712 Apache Road, Edina, MN 55439, an inventor of the inventions and improvements that are the subject of a PCT application entitled *Methods and Materials for Modulating TRPC4*, assigned PCT Application Number PCT/US02/41751 and having an International filing date of December 31, 2002, hereby assign to Neuromics, Inc., a Minnesota corporation having a place of business at: 1313 Fifth Street SE, Suite 113, Minneapolis, MN 55414, and its successors and assigns (collectively hereinafter called "the Assignee") the entire right, title and interest throughout the world of the inventions and improvements which are the subject of the above-referenced PCT application. I authorize and request the Attorneys/Agents appointed in said application to hereafter complete this Assignment by inserting above the filing date and application number of said PCT application.

This Assignment includes said application, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions and improvements. This Assignment includes the right to claim priority based upon the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes.

I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements.

I agree for myself and my respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, Assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

I, Samuel J. Shuster, inventor of the above-referenced inventions and improvements,
hereby execute this Assignment on this 4 day of December, 2002, in the presence of
the below-identified notary.

Patent Application: PCT Application No. PCT/US02/41751, entitled *Methods and Materials for Modulating TRPC4* filed December 31, 2002.

1. Assignor represents that it is the exclusive owner of (1) the invention described and claimed in the Patent Application identified above, and (2) all related foreign and domestic patents, patent applications, provisionals, divisionals, continuations, continuations-in-part, reissues, re-examinations, certificates of invention, and the like that may issue from or which derive priority from the invention and Patent Application (all of which are collectively referred to as the "Patent Rights"). Assignor represents that Assignor has the full right to convey the interest assigned by this Assignment, and that Assignor has not executed and will not execute any agreement in conflict with this Assignment.
2. Assignor hereby assigns to Assignee the entire worldwide right, title, and interest in and to the Patent Rights, and acknowledges receipt of fair and adequate consideration for such Assignment.
3. Assignor hereby assigns to Assignee all the Assignor's right, title, and interest in and to any claims (known or unknown, suspected or unsuspected) of any nature that Assignor has or may have against any party for infringement of the Patent Rights, and acknowledges receipt of fair and adequate consideration for such Assignment.
4. Assignor agrees without further consideration to execute all papers and perform all affirmative acts necessary to aid, assist or facilitate Assignee in its application for and prosecution of any patent application within the Patent Rights, and also to execute separate or additional Assignments in connection with such patent applications as the Assignee may deem necessary. Assignee shall be solely responsible for all expenses relating to the

preparation and prosecution of such patent applications, and the preparation and recordation of such Assignments. Assignor will be entitled to receive reimbursement from Assignee of any reasonable expenses incurred by it in performing such acts.

5. Assignor agrees without further consideration to execute all papers and documents and perform any act which may be necessary in connection with protecting the Patent Rights under any claims or provisions of the International Convention for Protection of Industrial Property or similar agreements. Assignor will be entitled to receive reimbursement from Assignee of any reasonable expenses incurred by it in performing such acts.
6. Assignor agrees without further consideration to execute all papers necessary in conjunction with any interference which may be declared concerning any patent application within the Patent Rights, and to cooperate with Assignee in every way possible in obtaining evidence and going forward with such interference. Assignor will be entitled to receive reimbursement from Assignee of any reasonable expenses incurred by it in performing such assistance.
7. Assignor agrees to assist Assignee with respect to any infringement action, suit, or proceeding relating to the enforcement and/or protection of any of the Patent Rights. In any such action, suit, or proceeding, Assignor will be represented by the same legal counsel as Assignee at Assignee's expense.
8. Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from any patent application within the Patent Rights to Assignee, as the assignee of the entire interest therein.
9. Assignor grants to Assignee the power to insert on the Assignment the application number, the filing date, and any further identification or information relating to the above-indicated Patent Application which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
10. This agreement is binding upon and inures to the benefit of the successors and assigns of the parties.

I, Peter W. Shuster, Chief Executive Officer of Neuromics, Inc, hereby execute this Assignment on this _____ day of _____, 2002, in the presence of the below-identified notary.

Dear Ulf:

Several of the patent applications on which you are a listed inventor have now been filed in the U.S. The U.S. requires that inventor's sign a 'Declaration', declaring that they are, in fact, an inventor on the named invention. Therefore, please find enclosed Declarations for your signature for each of the indicated applications. Please sign the enclosed Declarations and return them to my attention as soon as possible. For your convenience, we have enclosed a postage-paid Federal Express envelope.

Please call me as soon as possible if you have any questions.

Very truly yours,

ChoicePoint

*Discovery PLUS! with VIN - Multiple Credit Header Sources

With access to billions of records, Discovery PLUS! with VIN gives you a comprehensive report with just one search. From the listing of an individual's most current address, to an in-depth profile of property ownership, corporate affiliations, Bankruptcies, Liens, and Judgments. Discovery PLUS! with VIN also verifies personal identifiers and lists 3 possible relatives. Plus, IF WE FIND NOTHING, YOUR SEARCH IS FREE!

WHAT INFORMATION IS CONTAINED IN DISCOVERY PLUS!?

This report accesses three credit header sources and Composite Info to locate a person's most current address and identifying data. In fact, for one low price, Discovery PLUS! starts with a subject's name and addresses and then links the individual to public record filings based on matching name and address or state of filing in just one step.

WHAT IS THE SOURCE OF THE DATA?

Discovery PLUS! with VIN accesses billions of records to give you a complete, comprehensive report. Information is obtained from the following databases:

DATA SOURCE	PURPOSE
*All 3 Major Credit Bureau Headers (National Consumer Reporting Agencies)	-to locate addresses, phone#, SSN, date/year of birth, neighbors and possible relatives
*Composite Info (Collected from state agencies and a proprietary source)	-to locate addresses, date of birth, DL# and status, SSN, neighbors and possible relatives
*Phone Listings *White Pages	-to locate addresses and phone #s -demographic information, additional addresses, phone number
*Real Property/Ownership/Transfers	-to list property owned by subject and identify owner(s) of subject's current and previous residence
*Bankruptcies, Liens & Judgments	-to uncover derogatory public filings and identify individual and/or business affiliations
*Corporations & Limited Partnerships	-to identify subject's affiliation with corporations in the state(s) of current or previous residence
*UCC Filings	-to uncover any UCC filings and identify individual and/or business affiliations
*US Coast Guard Watercraft	-to obtain information on any vessels registered to subject (at least five net tons; approx. 27')
*FAA Aircraft Ownership	-to list any aircraft owned by subject
*FAA Airmen Directory	-to identify if subject is a licensed pilot
*National Death Locator	-identify if subject has been

reported as deceased to Soc. Sec.
Admin

*Vehicle Ownership Information (VIN) -to identify vehicles linked to the
subject's name at the most current
address

***Note: At the end of a Discovery PLUS! with VIN report, ChoicePoint links
the subject's name and most current address to our VIN datasource to obtain
household vehicle information. If no record is found at the most current
address and the subject has lived there less than 18 months, the second
address is also searched. The year, make, vehicle ID number and registered
owner name will be displayed for no additional charge.

Selecting a VIN will provide VIN detail info at an additional charge. Data
is available via a gateway. Down times are as follows:

Scheduled: 3rd Sunday of the month from 7:00 AM - 7:00 PM ET
Emergency: Monday through Friday from 3:00 AM - 6:00 AM ET

HOW OFTEN IS THE INFORMATION UPDATED?

*Credit Header 1
*Credit Header 2 & 3

-No longer updated
-Continuously/Real-time, Weekly, or
Quarterly depending on the source
-No longer updated
-Monthly
-Updated according to the schedule
established for each database

*Composite Info
*White Pages
*Public Records
(e.g., Real Property, etc.)

TERMS AND CONDITIONS:

Thank you for using Sprint.

In addition to Sprint's Terms and Conditions of Service that can be found at www.sprint.com/ratesandconditions, the following terms and conditions are applicable only to Sprint long distance services billed on this invoice.

This bill is due and payable upon presentation, and is past due if unpaid after the date shown on page one of this bill. Residential customers will be assessed a late fee on balances that remain unpaid for more than 30 days from the invoice date. The late fee will be applied to the entire unpaid balance, including taxes. Sprint may charge you interest on the entire unpaid balance equal to the lesser of 12% per month for the maximum allowed by law. Please make check or money order to Sprint in U.S. Dollars. Do not send cash. If your payment is not received within 30 days of the invoice date, or within the time allowed by your state's Public Utility Commission, Sprint may begin procedures to cancel all service to you. You will be informed of such an action if required by law.

Sprint may charge you up to \$15.00 if your check, bank draft or electronic funds transfer is returned for insufficient funds. You are responsible for each returned check, bank draft or electronic funds transfer.

If you have any questions about your bill, please call us: the number is shown on page one of this bill. Most of your questions can be quickly and conveniently handled to your satisfaction over the phone.

If you would like to question an item on your bill or comment on our service, in writing, please address your letter to:

SPRINT
Customer Service
P.O. Box 15855
Shawnee Mission, KS 66265-5855

OR Register at www.Sprint.com to view and manage your account online.

Please include your name, account number, the specific question or comment about the bill, and the dollar amount of the item(s) in question. We assure you we will respond to your letter as soon as possible.

While the item(s) in question are being investigated, you do not have to pay them; however, the amount not in question is still due and payable upon receipt of your bill.

Periodically, you may see charges appear on your invoice covering a prior period that, for various reasons, were not previously billed. Extended payment terms may be available on certain backbilled or late-billed charges. Contact Sprint for details.

DISPUTED CHARGES: You may withhold a disputed charge for interstate or international service if you provide Sprint with a written description of your dispute by the invoice due date. Otherwise, you must pay the amount due and may pursue your dispute by following the dispute resolution procedure outlined in Sprint's Terms and Conditions of Service that may be found at www.sprint.com/ratesandconditions. You may also obtain a copy of Sprint's Terms and Conditions of Service by writing to the address listed above, or by calling the Customer Service number shown on page one of this bill. Refer to this same Customer Service number for billing dispute questions.

NOTICE OF JURISDICTION: If you are a Sprint residential customer, the jurisdiction for disputes will be governed by the dispute resolution procedure outlined in Sprint's Terms and Conditions of Service at www.sprint.com/ratesandconditions. Pursuant to K.S.A. 60-308 (b) (11), as a business customer, you may be subject to jurisdiction in Kansas for any dispute relating to your telephone service with Sprint. This is because you have arranged for or continued to receive phone service managed, operated or monitored in the State of Kansas.

CREDIT / PREPAYMENT: If your credit or payment history is unsatisfactory to Sprint or your credit does not support the amount of Sprint services you use, Sprint may require you to make a prepayment or provide other security. Sprint will not request a prepayment that exceeds the estimated charges for six months of services. If you terminate Sprint service, Sprint will apply your prepayment to any unpaid bills for service and refund any remaining balance to you. If you make a prepayment, you still must pay your invoices as required in the Sprint's Terms and Conditions of Service that may be found at www.sprint.com/ratesandconditions.

CUSTOMER REQUEST FOR DISCONNECT: Sprint will disconnect your service within 30 days after receiving your request for disconnect, or such shorter term and under such conditions as may be required by your Public Utility Commission.

CHANGE OF ADDRESS OR ACCOUNT HOLDER NAME: Address changes may be noted on the form found on the back of page one of this bill or by calling Customer Service at the number shown on page one of this bill. If account name changes are necessary, please call the Customer Service number shown on page one of this bill.

Dear Dr. Arvidsson,
Please respond to this e-mail, whether or not you are the person who used to work for Neuromics.
I just need to confirm whether or not I've received a response, even if you refuse to sign any documents for the patent applications.
Please respond and confirm delivery of this e-mail.
Thank you.
